METAL PLANT TO INTRODUCE SOVIET PROCESS

PLEDGES ADDITIONAL PRODUCTION -- Polska Zbrojna, No 337, 8 Dec 49

In honor of Stalin's 70th birthday anniversary, the workers at the Gen K. Swierczewski Metal Products Factory in Warsaw pledged additional production valued at 1,984,418 zlotys by 20 December 1949. They will also introduce the latest achievement of Soviet technology, the anode process of cutting and grinding Vidia alloys.

Other pledges of the plant include: activation of seven lathe divisions, mechanization of the carpenter shop, shortening of the production cycle of basic tools by 11 days, and repair of the salt-process heat-treating furnace, which was salvaged from rubble.

CEGIELSKI PLANT RENAMED -- Polska Zbrojna, No 345, 16 Dec 49

On 15 December 1949, the Cegielski plant in Poznan was renamed the Jozef Stalin Metalworking Enterprises.

WIRE PLANT FULFILLS 3-YEAR PLAN -- Wola Ludu, No 19, 16 Dec 49

The Wire and Nail Factory No 13, Warsaw, recently completed the Three-Year Plan. Over 70 percent of the workers participated in work competition, which contributed much to the fulfillment of the plan.

URSUS PLANT COMPLETES 1949 PLAN -- Trud, No 262, 5 Nov 49

In a letter to the Stalingrad Tractor Plant, the workers of Ursus Plant in Poland stated they had completed the 1949 plan in 10 months and had produced a total of 2,000 tractors in 1949.
